COLLECTIVE BARGAINING AGREEMENT

MARIN ASSOCIATION OF PUBLIC EMPLOYEES GENERAL BARGAINING UNIT & THE COUNTY OF MARIN

September 19, 2021 – June 30, 2026

Chapter 1: General Provisions

Article 1.1 Introduction

1.1.1 Scope of Agreement

The salaries, hours, fringe benefits and working conditions set forth have been mutually agreed upon by the designated bargaining representatives of the County of Marin (hereinafter called "County") and the Marin Association of Public Employees (MAPE), General Bargaining Unit, (hereinafter called "Union") and shall apply to all employees of the County working in the classifications and bargaining units set forth herein and as may be amended.

If a provision of the County's Personnel Management Regulations is in conflict with a provision of this Collective Bargaining Agreement, to the extent of such conflict, the provision of the Collective Bargaining Agreement shall be controlling.

Notwithstanding the above, during the term of this Collective Bargaining Agreement via the process outlined in the PMR Revision Side Letter, MAPE and the County may agree to modify a provision of the PMR in conflict with this Collective Bargaining Agreement and conform relevant sections of this Agreement to the agreed-upon modifications to the PMR.

1.1.2 Term

This Agreement shall be in effect from September 19, 2021 through June 30, 2026. It shall continue in effect thereafter from year to year unless either party gives one hundred twenty (120) days' notice prior to June 30, 2026, or any yearly anniversary date thereafter, to terminate or modify this Agreement. Notwithstanding any of the above, continuation of this Agreement after June 30, 2026 may be voided by any operation of Personnel Management Regulation (PMR) 4. The parties agreed on July 21, 2022, to modify and extend the contract through June 30, 2026.

Article 1.2 Recognition

1.2.1 Bargaining Units

County hereby recognizes Union as the bargaining representative for the purpose of establishing salaries, hours, fringe benefits, and working conditions for all employees within the following bargaining units:

- Unit MA01 – General Clerical and Related Clerical Technicians Unit
- Unit MA02 – Trades, Vocational, Custodial Unit
- Unit MA03 – Public Services and Related Unit
- Unit MA04 – Technical Services, Regulatory, and Related Unit
- Unit MA16 – Public Defender Attorneys

For the job classes included in these units, see Attachment A.

The parties agreed to submit to the Personnel Commission a joint unit modification petition to move the Behavioral Health Care Assistants from the General to the HHS bargaining unit.

1.2.2 Mutual Obligation

Both parties recognize their mutual obligation to cooperate with each other to assure maximum service of the highest quality and efficiency to the citizens of Marin County.

1.2.3 Notice to Employees

Whenever a person is hired in any of the job classifications set forth herein, County shall notify such person that the Union is the recognized bargaining representative for employees in that classification.

1.2.4 Available Copies

Both County and Union agree to keep duplicate originals of this Agreement on file in a readily accessible location, available for inspection by any County employee, or member of the public, upon request.

Article 1.3 Concerted Activities

1.3.1 Strikes and Lockouts

During the term of this Agreement, County agrees that it will not lock out employees, and the Union, despite any sanctions or instructions by their international association or Central Labor Council, agrees that they will not engage in, encourage or approve any strike, slowdown or other work stoppage growing out of any dispute relating to the terms of this Agreement. Union will take whatever lawful steps are necessary to prevent any interruption of work in violation of this Agreement, recognizing, with County, that all matters of controversy within the scope of this Agreement shall be settled by established grievance procedures.

1.3.2 Injunctive Consent

Each party consents to, and waives any defenses against, any injunctive action by the other party to restrain any violation of this section.

Article 1.4 Discrimination

1.4.1 In General

The parties to this Agreement agree that they shall not, in any manner, discriminate against any person whatsoever because of sex, race, color, ancestry, religious creed, national origin, physical or mental disability, medical condition, age, marital status, the taking of family and medical leave per the Family and Medical Leave Act (FMLA) or pregnancy disability leave, sexual orientation, political or religious opinions or affiliations, gender identity, and any other factor unrelated to job performance. Complaints pursuant to such issues will be handled pursuant to the County Equal Employment Opportunity and Anti-Harassment Policies (PMR 21).

1.4.2 Union Discrimination

No member, official, or representative of the Union shall, in any way, suffer any type of discrimination or retaliation in connection with continued employment, promotion or otherwise by virtue of membership in or representation by the Union or in the exercise of the rights established in this Agreement.

Article 1.5 Existing Policies, Severability and Waivers

1.5.1 Existing Laws, Regulations and Policies

This Agreement is subject to all existing laws of the State of California, ordinances, regulations and policies of the County of Marin. The County, the Union and the employees affected thereby, unless otherwise specified herein, shall be entitled to all benefits conferred thereby and shall observe all obligations engendered thereby.

1.5.2 Severability

If any article or section of this Agreement shall be held to be invalid by operation of law by any tribunal of competent jurisdiction or if compliance with or any enforcement of article or section should be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby, and the parties shall enter into collective bargaining negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such article or section.

1.5.3 Waiver Clause

The parties acknowledge that, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter pertaining to or covered by this Agreement, notwithstanding any other provisions of law to the contrary.

Article 1.6 Defined Standard Workday, Workweek, and Other Time Intervals

1.6.1 Application

The meaning of terms utilized in this Agreement shall be established as follows in this Article.

1.6.2 Standard Workday, Workweek and Biweekly, Six-Month, and Annual Periods

Chapter 2: Wages

Article 2.1 Salary Increases

2.1.1 General Increases

Effective September 19, 2021, the rate of pay for all classes and employees shall be increased by one and a half percent (1.5%).

Effective the first full pay period in July 2022, the rate of pay for all classes and employees shall be increased by two and a half percent (2.5%).

Effective August 21, 2022, the rate of pay for all classes and employees shall be increased by an additional one percent (1%).

Effective the first full pay period in July 2023, the rate of pay for all classes and employees shall be increased by three percent (3.0%).

Effective the first full pay period in July 2024, the rate of pay for all classes and employees shall be increased by three percent (3.0%).

Effective the first full pay period in July 2025, the rate of pay for all classes and employees shall be increased by two and a half percent (2.5%).

2.1.2 Deputy Public Defenders

Salaries for each level of Deputy Public Defender shall be the same as salaries for each level of Deputy District Attorney.

The fringe benefit formula for the Deputy Public Defenders shall be equal to that of the Deputy District Attorneys and Deputy County Counsel Attorneys. However, in the event that the fringe benefit formula for the Deputy District Attorneys or Deputy County Counsel Attorneys is reduced, the County agrees to reopen negotiations on this issue with the Deputy Public Defenders.

2.1.3 Salary Equity Adjustments

Effective September 19, 2021, the rate of pay for the following job classifications will be increased as follows:

Sign Fabricator	4.88%
-----------------	-------

The County will complete a salary survey for benchmark classifications by March 31, 2022. For this round of salary surveys only, the County will use the jurisdictions described below. The parties will meet and confer only on the classifications that are below market AND/OR classifications with demonstrated recruitment problems. The County will make adjustments up to a maximum of \$250,000 for all three MAPE contracts (i.e., General Unit, HHS Unit and Nurses) ongoing for the salary survey. The adjustments will be effective the first full pay period of July 2022.

The following agencies will be surveyed:

Counties: Alameda, Contra Costa, Napa, San Francisco, San Mateo, Solano, and Sonoma
Cities: San Francisco, Berkeley, Novato, Palo Alto, San Rafael, Santa Rosa, and Vallejo

All classifications identified as below median in the County's attached survey will be brought to market effective August 21, 2022. See Attachment B.

2.1.4 Equity Fund

Beginning in July 2023, in the event that MAPE believes a recruitment and/or retention issue exists for a particular classification as a result of external market salary issues, they may request a meeting with Human Resources to discuss these concerns. This meeting will commence as soon as reasonably practical but in no event more than 30 days after the request unless otherwise agreed by the parties. At this meeting, the Union must present data to support that recruitment and/or retention issues exists. Human Resources, in collaboration with the Union, will consider the information presented by the Union and will evaluate other relevant labor market data before issuing its findings.

The County will set aside an equity fund of \$250,000 to be used by all three MAPE contracts (i.e. General, HHS and Nurses) to address these recruitment and retention issues. If the compensation review results in a consensus that an equity adjustment is warranted, and funds exist in the equity set aside, the increase will be forwarded to the Board of Supervisors for approval.

This Equity Fund set aside is for the term of this Agreement only and is not subject to the grievance procedure. Remaining funds will be returned to the general fund if not utilized during the term of this agreement.

2.1.5 One-time payment

Effective September 19, 2021, Regular Hire full-time employees shall receive a one-time, non-pensionable payment of \$2,400. This amount will be prorated for Regular Hire part-time employees based on the part-time employee's FTE.

Effective September 19, 2021, Contingent Hire employees who do not have a Regular Hire appointment will receive the following one-time payment based on hours worked in the July 1, 2020 - June 30, 2021 fiscal year:

500 hours or more but less than 1,000 hours: \$600
1,000 hours or more but less than 1,800 hours: \$1,200
1,800 hours or more: \$1,800.

This lump sum payment is for regular and contingent hire employees who are on the payroll as of September 19, 2021. It shall be made by a separate payment from the biweekly payroll. The payment shall not be pensionable.

Retention Bonus: In recognition of years of service to the County, all regular hire employees on the books upon ratification of this Agreement, will be paid a one-time, non-pensionable, \$1,000 retention bonus effective August 21, 2022. All regular hire employees who are on the books July 1, 2023, will be paid a one-time, non-pensionable, \$1000 retention bonus in the paycheck in August 2023, in recognition of years of service to the County. Parttime employees will be paid a prorated amount based upon their FTE in 2022 and 2023.

Hard to Fill Bonus: Effective August 21, 2022, when a position is deemed "hard to fill", as determined by Human Resources, after notification to the Union, new employees hired after July 1, 2022, shall be eligible for up to a \$2,500-\$10,000 signing bonus. "Hard to fill" generally means an approved open recruitment has been unfilled for six (6) months, or the approved recruitment needed to re-open more than once because the County was unable to hire a candidate for the opening, or the County can show a difficulty retaining employees in the classification, or other similar agencies are offering a signing bonus for the classification. The signing bonus will be split, and the new employee shall be paid 50% of the signing bonus in the first paycheck and 50% of the bonus after successful completion of the probationary period. In any case, if an employee does not complete the first full year of employment, the employee shall reimburse the County for the signing bonus received.

Article 2.2 Step Increases

2.2.1 Effective Date

Employees shall be eligible to receive a step increase within their salary range effective the first (1st) day of the pay period following completion of the specified conditions set forth in this article.

2.2.2 Promotions and Salary-Step-Increase Percentages

When an employee receives a promotion, the salary increase shall be no less than five percent (5%) except that in no event shall an employee receive more than the top step of the appropriate pay range. An employee's anniversary date shall change upon promotion. A department may request an

advance step appointment upon promotion subject to review by Human Resources and approval by the County Administrator's Office.

2.2.3 Eligibility

An employee shall be eligible for a step increase upon completion of the probationary period and the annual period thereafter, except as specified in Section 2.2.2., if said step increase is supported by a performance evaluation and all other requirements are met.

2.2.4 Performance Evaluation Required

A performance evaluation that meets standards is required for advancement to each successive step of the pay range. Employee performance will be evaluated on the County's regular performance evaluation document in accordance with County rules, regulations and policy. Employees may choose to discuss performance evaluations with their department heads and formally enter a response to the evaluation in writing in their personnel file.

Performance evaluations shall be completed by a supervisory or management employee who is in a position to directly observe the employee's work. Performance evaluations shall not be placed in a personnel file without an opportunity for prior discussion between the employee and the supervisor, shall not contain unverified statements from anonymous sources and in any area rated "Unsatisfactory," shall have attached reasons stated by the supervisor in the commentary section and shall include specific recommendations for improvement and provisions for assisting the employee in implementing any recommendations made.

2.2.5 Contingent Hire (Extra Hire) Conversion

A Contingent Hire (Extra Hire) employee who continuously occupies a position, if thereafter appointed on a regular hire basis, shall have the anniversary date of step increases calculated from the first (1st) day of current Contingent Hire (Extra Hire) employment.

2.2.6 Contingent Hire (Extra Hire) Step Increases

Contingent Hire (Extra Hire) employees may be advanced one (1) step in a salary range the first (1st) day of the pay period following completion of total paid service equivalent to the probationary period or annual period set forth for Regular Hire employees in the same classification

Article 2.3 Probationary Periods

2.3.1 In General

All probationary periods, as provided in Personnel Management Regulation 35, shall be one (1) year (annual period).

2.3.2 Transfer

A permanent employee transferring from one department to another in the same or similar classification (as determined by the Director of Human Resources) shall serve a three (3) month probationary period in the new department. A permanent employee failing to pass the probationary period provided herein shall be allowed to return to the employee's original department in the original class, bumping out any less senior incumbent employee in that class.

2.3.3 Performance Evaluation

All probationary employees (either new hire or promotional) shall be evaluated not later than the end of their third (3rd) month of probationary service and again not later than the end of the fifth (5th) full month of such service. For positions requiring a twelve (12) month probation period, an evaluation shall be made no later than the end of the eleventh (11th) month of such service.

Article 2.4 Specified Wage Adjustments

2.4.1 Temporary Promotions

In cases of prolonged absence from duty, vacancy of an approved position, or other emergencies, the appointing authority with the consent of the Director of Human Resources or designee may, in writing, temporarily promote a Regular Hire employee when such employee is regularly required to substantially perform the full duties of a budgeted position within a higher classification for a period in excess of ten (10) days. In such cases, the employee shall be paid for all hours in paid status at the rate on the salary range of the higher classification that is closest to, but not less than five percent (5%) above his or her base hourly rate in the classification in which he/she holds regular status at the time he/she is temporarily promoted. All increases shall be rounded to the nearest whole percentage using regular rounding rules. In no event shall an employee in a temporary promotion receive more than the top step of the higher classification into which the employee is temporarily promoted. If the full time status of the classification into which the employee temporarily promotes is different from the classification in which he/she holds regular status (e.g., an employee in a classification that is 37.5 hours full time per week temporarily promotes into a classification that is 40 hours per week full time, or vice versa), the employee will continue to work the scheduled hours of his/her Regular Hire classification. An employee's eligibility for overtime and leave accrual shall be pursuant to his/her regular classification.

An employee must meet the minimum qualifications for the job class to which he/she is being temporarily promoted and must have completed the first six (6) months of his or her initial probationary period with the County. The appointing authority will notify all department employees of temporary promotional opportunities and will allow department employees 5 working days to express an interest in the assignment. The appointing authority will consider all interested and eligible employees. The selection decision rests with the appointing authority.

The request for temporary promotion must be submitted to Human Resources by the appointing authority in writing and should include the justification for the temporary promotion along with the required documentation. Temporary promotions shall not exceed one (1) year. In the event of unusual circumstances, the appointing authority may request an extension from the Director of Human Resources. Beyond the first year of a temporary promotion, extensions may only be granted in up to six (6) month intervals. The temporary promotion will be reassessed for justification at each extension request. Should a temporary promotion result from a vacancy in a budgeted position that has been approved by the County Administrator's Office to fill, the appointing authority will submit a personnel requisition to Human Resources within two (2) months of the effective date of the temporary promotion.

The granting and/or discontinuance of a temporary promotion shall not be subject to the grievance procedure. Otherwise, PMR 41.3 shall govern temporary promotion.

2.4.2 Shift Differentials

The County agrees to pay a five-percent (5%) shift premium for swing-shift work and a ten-percent (10%) shift premium for graveyard work based on the employee's assigned step of the salary range. Shift differentials shall not be included within the base rate of pay but shall be added to the base rate of pay under the conditions specified in this section. Employees working between the hours of 5:00 p.m. and 8:00 a.m. for their own convenience are not eligible for a shift differential. Shift differentials will not be paid to employees while on vacation or other leave status. Employees must work a minimum of four (4) hours within the defined shift to qualify for the shift differential. Shift differentials will only be paid under the following conditions:

1. Swing Shift: for all hours worked on a regularly assigned work shift in which four (4) or more hours of the shift fall between 5:00 p.m. and 10:00 p.m.
2. Graveyard Shift: for all hours worked between 10:00 p.m. and 8:00 a.m. when four (4) or more hours of the regularly assigned shift fall between 10:00 p.m. and 8:00 a.m.

2.4.3 Hazardous Material Incident Response

The parties agree that up to four (4) employees of the Environmental Health Specialist class series will, on a volunteer basis, be available to respond to hazardous-material incidents threatening public safety in Marin County. The County's acceptance of an employee willing to volunteer for this special-duty assignment is contingent on the Director of Public Works certifying that the employee is adequately trained and sufficiently knowledgeable with techniques for testing and monitoring the safe handling and cleaning up of hazardous materials and the employee committing to a minimum of one (1) year of duty in the assignment.

1. Written rules and procedures will be provided to employees regarding their duties and responsibilities in the assignment.
2. Employees selected for the Hazardous Material Incident Response Team will be compensated according to the standby (4.2.7) and minimum call-back (4.2.6) language in Article 4.2, "Overtime."
3. Each member of the hazardous-waste team will periodically be required to undergo a baseline medical examination. The complete cost for such medical examination will be borne by the County. Members comprising the current hazardous-waste team will be scheduled by the department for a medical examination.

2.4.4 Bilingual-Skills Pay

When a Department Head, with the approval of the Director of Human Resources, designates a position or assignment as requiring bilingual skills in a specific second language on a regular basis during the course of his/her workday an employee in that designated position or assignment who has first demonstrated proficiency, by being tested and certified as determined by Human Resources, shall be eligible to receive a five (5%) percent salary differential based upon his or her base hourly rate of pay.

Upon the separation of the employee from that position or assignment requiring designated bilingual skills, upon change in assignment such that the skills are no longer needed on a regular basis as described above, or upon the failure of the employee to satisfactorily provide bilingual services, the salary differential payment to the employee will be discontinued.

This differential is not authorized for minor or incidental use of a second language. The differential will be authorized where the bilingual skills are used on a regular basis for providing necessary County services as determined within the sole discretion of the County.

Effective October 3, 2021, all employees who are in a non-bilingual classification for which there is a bilingual analog will be reclassified into the bilingual classification if they meet the criteria to be paid the bilingual differential. Going forward, all employees hired into classifications for which there is a non-bilingual classification, and an analog bilingual classification shall be hired into the bilingual classification if they meet the criteria to be paid bilingual differential.

2.4.5 Temporary Special Assignment Pay

Temporary special assignment is defined as a practice where, as directed by an appointing authority, at least 25% of an employee's work time requires the performance of higher level duties outside of their regularly assigned classification that significantly changes the nature of their work.

Temporary special assignments must be a minimum of ten (10) working days, and shall not exceed six (6) calendar months. In the event of unusual circumstances, a department head may request an extension from the Director of Human Resources. Temporary special assignments will be effective no earlier than the start of the pay period in which the application was received.

An employee shall be paid an additional five percent (5%) of his or her present salary on hours worked. Temporary special assignment pay shall not be provided in addition to temporary promotion pay.

The request for temporary special assignment pay may only be initiated by the appointing authority by submitting the request for temporary special assignment pay to Human Resources in writing. The request should include a description of the additional duties assigned that are not represented in the employee's regularly assigned classification and the expected duration of the assignment. Any conflicts concerning the application of this policy shall be decided by the County Administrator, whose decision shall be final.

The granting and/or discontinuance of temporary special assignment pay shall not be subject to the grievance procedure.

Chapter 3: Fringe Benefits

The County provides a fringe benefits package described below. Unless expressly stated, all benefits listed in this article are prorated based upon the employee's Regular Hire FTE. Hours worked as a Contingent Hire (i.e., Extra Hire) employee, and/or hours worked in excess of a part-time Regular Hire FTE, and/or overtime hours do not count toward the accrual of benefits.

Article 3.1 Medical, Dental, Life and Retirement Benefits

3.1.1 Continuation

The benefits in the past Agreement terminating June 30, 2021 shall remain in effect, except for the benefit changes that were agreed to occur during this contract term.

3.1.2 Fair Distribution

The County and Union agree that the agreed to changes in the medical, dental, life, retirement and supplemental benefits resolves any question of fair distribution of benefits between employees of different benefit levels and coverage and that this package represents a sound contribution to the fringe benefit coverage of all County employees represented by the Union.

3.1.3 Non-Stated Benefits

The County and Union agree that the benefits specifically stated in the basic Agreement or applicable Agreement addendum fully and completely provide the benefit program specifically negotiated and agreed to by the parties. Other or related benefits not specifically provided in this Agreement language may not be inferred by either party.

Fringe benefits shall only apply to Regular Hire employees who work at least half time unless the Agreement language specifically mentions Contingent Hire (Extra Hire employee) coverage.

3.1.4 County Contribution

Bi-Weekly Fringe Benefits

Regular Hire employees enrolled in a County medical plan and in fringe Groups MA01, MA02, MA03, MA04, MA16 receive bi-weekly fringe benefit payments beginning in December 2021 for calendar year 2022 as follows:

	Biweekly Payment Annual Salaries At/Above \$75,000	Biweekly Payment Annual Salaries Below \$75,000
Employee Only	\$514.60	\$514.60
Employee + 1 Dependent	\$645.39	\$657.68
Employee + Family	\$865.47	\$890.03

Effective December 2022 in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase from zero percent (0%) - six percent (6%), based on the Kaiser Silver premium increase to benefited employees at the employee plus one (1) and employee plus family benefit levels. The Annual salary threshold to determine the County's fringe benefit contributions shall be adjusted from \$75,000 to \$77,000.

In December 2022, in addition to the above, the County will add \$.65 per pay period to the employee plus one (1) and employee plus family fringe payments.

Effective December 2023 in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase from zero percent (0%) - five percent (5%), based on the Kaiser Silver premium increase to benefited employees at the employee plus one (1) and employee plus family benefit levels. The Annual salary threshold to determine the County's fringe benefit contributions shall be adjusted from \$77,000 to \$79,000.

Effective December 2024 in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase, from zero percent (0%) - five percent (5%), based on the Kaiser Silver premium increase to benefited employees at the employee plus one (1) and employee plus family benefit levels. The Annual salary threshold to determine the County's fringe benefit contributions shall be adjusted from \$79,000 to \$85,000.

Effective in December 2025 in the pay period in the pay period in which there will be an increase in health insurance premiums, the County will increase the bi-weekly fringe benefit package by the same dollar amount as the Kaiser Silver Plan increase, from zero percent (0%) - five percent (5%), based on the Kaiser Silver premium increase to benefited employees at the employee plus one (1) and employee plus family benefit levels.

Adjustment to County Fringe Contribution at the Employee-Only Enrollment Level in Plan Years 2023, 2024, 2025 and 2026: If the biweekly premium at the Kaiser Silver employee-only level in plan years 2023, 2024, 2025 and 2026 exceeds the County's plan year 2022 biweekly fringe contribution at the employee-only level (i.e., \$514.50 biweekly), the County will increase its biweekly fringe contribution at the employee-only level to an amount equal to 100% of the biweekly premiums for employee-only enrollment in Kaiser Silver, for all represented employees who enroll in employee-only medical plans.

An employee who enrolls in County medical coverage is eligible to receive up to \$100.00 cash back of any remaining unused amount of the employee's bi-weekly fringe benefit package provided that they were hired before July 1, 2018, and they received cash back as of July 1, 2018.

3.1.5 Part-Time Employees

Part-time, Regular Hire employees who are normally assigned to work half time or more in a pay period shall be entitled to all benefits provided in this Chapter on a pro-rata basis.

3.1.6 Employees Working Less Than Half-Time / Contingent Hires (Extra Hires)

3.1.7 Waiver of Participation

During open enrollment or within 30 days of a qualifying event (as defined by the County of Marin Section 125 Plan), any employee covered by this Agreement may make written application to the Human Resources Director for waiver of required participation in a County medical plan if said employee provides acceptable proof of equivalent coverage in a group plan through other sources. An employee who waives participation under this section shall use the fringe-benefit package to pay for mandated benefits and may receive up to one hundred dollars (\$100.00) cash back of any remaining unused amount of their biweekly fringe benefit package. Otherwise, effective December 16, 2007, there will be no additional cash back provided.

3.1.8 Domestic-Partner Coverage

A Regular Hire, benefits-eligible employee may enroll a registered domestic partner and/or the children of a registered domestic partner in the County's benefits plans, including medical, dental, vision, and dependent life insurance under the same conditions that apply to spouses and dependent children. The employee will be responsible for all taxes incurred under rules set by the Internal Revenue Service (IRS) and the Franchise Tax Board regarding imputed income.

3.1.9 Long-Term-Care Insurance

The County will provide long-term-care insurance provided the employee picks up the cost of premiums.

3.1.10 Dependent Care Assistance Program

The County agrees to continue a Dependent Care Assistance Program (DCAP) such that employees may set aside monies therefore under IRS Section 125.

3.1.11 IRS Section 125 Plan

3.1.15 Flexible Spending Account (FSA)

The County offers a flexible spending account in accordance with IRS Section 125 to allow employees to set aside pre-tax dollars by payroll deduction for approved medical expenses up to a limit set by the County and not to exceed IRS-set limits.

3.1.16 Teamsters Local Union 856, Health and Welfare Trust

For the term of the September 19, 2021 through June 30, 2024 Agreement, the County of Marin ("County") agrees to participate in the Teamsters Local Union No. 856 Health and Welfare Trust ("Teamsters Trust") for the sole purpose of offering to its employees the Teamsters Trust's Anthem Preferred Provider Organization plan ("Anthem PPO" or "Teamsters Plan").

Future Renewals

Upon the County's receipt of the renewals for its health plans for subsequent plan years (e.g., the Teamsters Trust Anthem PPO Plan ("Teamsters Plan"), Kaiser Permanente ("KP"), and Western Health Advantage ("WHA"))¹, if the Teamsters Plan's required renewal premium rates exceed each of the competing carriers (e.g., KP and WHA) renewal rates by more than 15.0%, the Teamsters Plan will be automatically discontinued as an offering to all County of Marin participants as of January 1st of the immediately following calendar year. The calculation to determine the total cost of each plan will be:

$$\begin{aligned} & (\text{Employee only total enrollment} \times \text{health plan employee only monthly rate}) + (\text{Employee}+1 \\ & \text{total enrollment} \times \text{health plan employee} + 1 \text{ monthly rate}) + (\text{Employee}+\text{family total} \\ & \text{enrollment} \times \text{health plan employee} + \text{family monthly rate}) = \text{Plan cost} \end{aligned}$$

To eliminate enrollment (i.e., rate tier) differences, the same enrollment figures will be used for all Plans. The County's total combined enrollment in its health plans (e.g., Teamsters Plan, WHA and KP), excluding Medicare, will be used in calculating the aggregate rate difference for the Teamsters

¹ These plans are named for comparison purposes only. Should the County offer health plans that differ from the ones listed, the 15% figure will be based upon the rates of the health plans the County intends to offer. Naming of the plans is illustrative only of the current make-up of the County health plans and is not intended to be deemed as having been bargained.

Plan compared to the competing plans (e.g., WHA and KP). To isolate the true sustainability aspect of the plans, the total premium rates will be used for this calculation.

CALCULATION: All of the County’s health plans will have their total combined enrollment multiplied by each health plan’s renewal rates. For Kaiser, the comparison will be to its highest cost plan (e.g., Plan L). If the Teamsters Plan renewal’s monthly premium is the highest by more than 15%, the County will discontinue offering the Teamsters PPO plan to County of Marin participants effective January 1st of the immediately following calendar year.

ILLUSTRATIVE EXAMPLE OF THE CALCULATION:

Enrollment:

	Employee only	Employee + 1	Employee + family
Teamsters Plan	250	250	50
WHA	50	20	10
Kaiser (combined Plan L and Plan S, excluding Medicare retirees)	1200	500	500
Total Enrollment	1500	770	560

Illustrative Monthly Rates:

	Employee only	Employee + 1	Employee + family
Teamsters Plan	\$745	\$1490	\$2085
WHA	\$780	\$1560	\$2080
Kaiser (Plan L)	\$790	\$1580	\$2100

CALCULATION:

To calculate the comparative costs, multiply the above rates by the above total enrollment:

(Employee only total enrollment x health plan employee only monthly rate) + (Employee+1 total enrollment x health plan employee + 1 monthly rate) + (Employee+family total enrollment x health plan employee + family monthly rate) = Plan cost

Teamsters PPO: \$3,432,400 (lowest cost of the 3, excluding the lower cost KP Plan, Plan S)

Western Health Advantage: \$3,536,000 (+3.0%)

Kaiser Permanente Plan L: \$3,577,600 (+4.2%)

ILLUSTRATIVE RESULT: Based on the above illustrative example, the Teamsters PPO plan is less than the most expensive plan (Kaiser Plan L) by approximately 4% and the County would not exercise its right to automatically cease participation in the Teamsters Plan.

3.3.11 COVID Related Leaves

a. COVID Sick Leave Extension

- Employees Hired Prior to January 1, 2021

Employees covered by the Families First Coronavirus Response Act (“FFCRA”) in 2020, and employees excluded from the FFCRA in 2020, will continue to have access to their respective and existing COVID-related sick leave balances (if any) to be used in accordance with the terms of the April 2020 COVID agreement between the PARTIES. This paragraph does not require the COUNTY to provide additional leave accruals to these employees, but rather extends the period of time that these existing COVID-related sick leave accruals may be used. All leaves described in this paragraph are subject to Paragraph 3.3.11 c., below. In no event shall leave accruals described in this paragraph extend beyond December 31, 2021.

- Employees Hired On or After January 1, 2021

Any employee hired on or after January 1, 2021, shall accrue, upon hire, eighty (80) hours of COVID-related sick leave. Should any applicable federal, state, and/or local law, or any action carrying the weight of law ("LAW"), be enacted to provide and/or extend COVID related leaves, Paragraph a., above, shall become null and void upon the effective date of the LAW, and the COUNTY shall implement legally required benefits. The PARTIES recognize that the scope of such requirements may be impacted by benefits already provided. If any LAW be enacted to provide or extend any other COVID-related benefit (e.g., EFMLA, etc.), the COUNTY shall implement the legally required benefits in strict accordance with the LAW and without any limitation or benefit imposed by any previous agreement. If, however, the requirements of the LAW require a lower COVID-related leave balance than an employee's accrual is on the effective date of the LAW, the employee will retain the higher leave balance accrued pursuant to this agreement. For example, if the LAW requires an employee to be provided forty (40) hours of leave, and the employee has sixty (60) hours of leave remaining as a result of this agreement, the employee will retain the sixty (60) hours of leave (existing leave balance will not be decreased by operation of the LAW). In no event will the County require an employee to pay back any time used pursuant to this agreement by operation of the LAW.

Article 3.4 State Disability Insurance (SDI)

3.4.1 In General

Employees will have the full premium cost for State Disability Insurance coverage automatically deducted from their pay check, and no County contribution will be made toward participation in the plan.

3.4.2 Integration of Benefits

The SDI benefit as determined by the State will be applied first. Long-term-disability benefits, if applicable, will be applied second. Accrued sick leave, vacation, and approved professional leave (if applicable) will then be applied in a proportionate amount which, when added to SDI, will provide compensation equal to the employee's regular wage or salary.

Article 3.5 Industrial Injury

For workers' compensation benefits, an employee should report injury to his/her supervisor within twenty-four (24) hours. The Risk Management Division of the County Administrator's Office will coordinate benefits for all workers' compensation claims.

3.5.2 First-Week Coverage

In cases where an employee initiates a workers' compensation claim, the County will provide full pay, without charge, against sick leave, during the first week off work, or any portion thereof, following an industrial accident provided that the County determines: That time off work is warranted for the injury or for treatment; and that the duration of time off work is warranted.

If a claim is denied and the following conditions are met—1) the County continues to determine the time and duration away from work are warranted and 2) the employee has received the first week of coverage—then a leave adjustment will be completed by the department so that the week is charged against the employee's sick or other leave.

3.5.3 Integration of Benefits

In all other cases, accumulated sick leave shall be applied to time off work following an industrial accident in a proportionate amount which, when added to worker's compensation benefits, provides total compensation equal to the employee's wage or salary. Upon exhaustion of accumulated sick leave, accrued vacation time may be applied in the same manner.

3.5.4 Added Sick Leave Credit

In cases where an industrial accident victim exhausts all accrued sick leave, five (5) additional standard work days (up to 40 hours) of sick leave will be restored to the employee upon the employee's return to work.

3.5.5 Additional Benefits

In cases where an industrial accident victim exhausts all paid leave, County will continue to contribute, for the period of the approved leave of absence, the amount due toward employee's medical, dental, life, supplemental-life, vision, and long-term-disability insurance premiums the employee was receiving at the time of the industrial accident. Such contributions will be made for the period of time computed on the basis of one (1) month of each two (2) years of continuous service, not to exceed twelve (12) months.

Only for workers of Road Crew in DPW who have worked for the County less than 2 years:

The County will pay the full cost of health care for two pay periods for an injured worker with an accepted worker's compensation claim if the worker is not able to work.

3.5.6 Required Treatment

Article 4.7 Utilization of Contingent Hire (Extra Hire)

4.7.1 In General

County agrees that the utilization of Contingent Hire (Extra Hire) employees should be in situations where full-time or part-time, Regular Hire employment is not justified or is not practical and that such utilization shall be in accordance with PMR 34 and applicable Administrative Regulations. Regular Hire appointments shall include a Regular, Fixed-Term Appointment defined as an appointment of an employee who has successfully competed for and passed the probationary period in an allocated, budgeted, fixed-term position. Fixed terms are generally established due to limits on grant funding or other known limits to the position's duration.

The County and the Union will meet on a quarterly basis during the term of this Agreement to discuss the use of contingent hire (Extra Hire) employees in Union-represented job classes. The purpose of the meetings will be to review payroll data for Contingent Hire (Extra Hire) employees, to identify any possible issues related to the use of the Contingent Hire (Extra Hire), and with the use of interest-based problem solving, to attempt to resolve any issues identified by either of the parties.

Chapter 5: Procedures

Article 5.1 Grievance Procedure

5.1.1 Grievance Defined

A grievance is a claims violation, misinterpretation, inequitable application or non-compliance with provisions:

1. Collective bargaining agreement;
2. County Ordinance;
3. Resolutions;
4. Rules;
5. Policies;
6. Regulations;
7. Existing practices affecting the status or working conditions of County employees.

5.1.2 Exclusions

Appeals of appointment, disciplinary action, examination appeals and performance evaluations are not grievable hereunder.

5.1.3 Who May File

A grievance may be filed by an employee on his/her own behalf or jointly by any group of employees or by a recognized employee organization. A grievance may be filed by an employee organization when claiming a violation within its scope of representation.

5.1.4 Informal Grievance

Within fourteen (14) calendar days of the event giving rise to the grievance, the grievant shall present the grievance informally for disposition by the immediate supervisor or at any appropriate level of authority within the department.

Presentation of an informal grievance shall be a prerequisite to the institution of a formal grievance.

5.1.5 Formal Grievance

If the grievant believes that the grievance has not been redressed within fourteen (14) calendar days, he/she may initiate a formal grievance within seven (7) calendar days thereafter. A formal grievance can only be initiated by completing and filing with the Human Resources Department a grievance form approved by the Human Resources Department for this purpose. The form shall contain:

1. Name(s) of grievant;
2. Class Title(s);
3. Department(s);
4. Mailing Address(es);
5. A clear statement of the nature of the grievance (citing applicable ordinances, rules or regulations, or Agreement language, including specific provisions which have been violated and how such violation(s) occurred);
6. The date upon which the event giving rise to the alleged grievance occurred;
7. The date upon which the informal discussion with the supervisor took place;
8. A proposed solution to the grievance;
9. The date of execution of the grievance form;
10. The signature of the grievant;
11. The name of the organization, if any, representing the grievant followed by the signature of the organization's representative.

Step 1

Within twenty-one (21) calendar days after a formal grievance is filed, the department head shall investigate the grievance, confer with the grievant in an attempt to resolve the grievance, and make a decision in writing.

Step 2

If the grievance is not resolved in Step 1 to the satisfaction of the grievant, he/she may, within not more than seven (7) calendar days from his/her receipt of the department head's decision, request consideration of the grievance by the County Administrator by so notifying the Human Resources Department in writing.

Within fourteen (14) calendar days after such notification, the County Administrator shall investigate the grievance, confer with persons affected and their representatives to the extent he/she deems necessary. A written decision shall be rendered within twenty-one (21) calendar days thereafter. The parties shall present all known, relevant information to each other at this step, including notice from the County if the proposed resolution requires an unbudgeted expenditure.

1. If the written decision of the County Administrator resolves the grievance to the satisfaction of the grievant and the County, it shall bind the County, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.
2. If Step 2 does not resolve the grievance to the satisfaction of the grievant, the grievant may pursue Step 3.

Step 3

A final appeal to Step 3 may be filed in writing with the Human Resources Department no more than fourteen (14) calendar days from his/her receipt of the County Administrator's decision. The grievant may, to the extent provided below, select either Alternative A or Alternative B as the final appeal step.

Only the Union may advance grievances under Section 5.1.1(1) (Collective Bargaining Agreement) to step 3. An individual grievant may advance any other grievance to step 3.

1. **Alternative A:** The grievance shall be determined by the Personnel Commission. The decision of the Commission shall be made in writing within sixty (60) calendar days after the filing of the appeal at Step 3 and shall be final and binding on all parties, subject to the ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.
2. **Alternative B:** This alternative is reserved for the Union alone. An individual grievant may not choose alternative B. Provided that the County Administrator and the grievant agree on the issues to be arbitrated, or that the grievance pertains to the specific terms of any existing collective bargaining agreement, the grievance shall be determined by an arbitrator selected from a list(s) provided by State Mediation and Conciliation Services (SMCS) by mutual agreement between the County and the Union. The decisions of the arbitrator shall be final and binding on all the parties. However, the amount of the award is subject to the ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure in excess of \$50,000.

Prior to a hearing before the Personnel Commission or an arbitrator, the parties will participate in a mandatory settlement conference in an attempt to resolve the grievance. All discussions in the settlement conference are confidential and may not be used in any subsequent hearing/ arbitration or dispute resolution process.

Both parties shall endeavor to submit the grievance to the arbitrator within sixty (60) calendar days after filing of the appeal to Step 3.

5.1.6 General Conditions

If it is asserted that a grievance is outside the scope of the procedures of definitions contained herein, such assertion shall be evaluated and ruled upon at each step. Such a claim shall not halt the further processing of the grievance until Step 3 is reached. At Step 3, the Commission or Arbitrator shall evaluate the assertion and make a ruling prior to hearing the grievance on the merits, if necessary.

The Human Resources Department shall act as a central repository for all grievance records and shall provide a copy of the grievance to the department head at each step of the grievance procedure.

Any time limit may be extended only by mutual agreement in writing.

An aggrieved employee may be represented by any person or organization certified to represent a majority of employees in a representation unit in which an aggrieved employee is included and is entitled to be present at all formal meetings, conferences, and hearings pertaining to the grievance.

Each party shall bear its own expenses for arbitration, provided that expenses for the services of the arbitration, including obtaining a list(s) from SMCS, shall be shared equally between the County and the Union.

Failure on the part of the County or the grievant to appear in any case before the Personnel Commission or arbitrator without good cause shall result in forfeiture of the case and the responsibility for payment of all costs of arbitration.

The grievant's signature is required to initiate Step 1 of the grievance procedure.

Amendments of the grievances are by mutual agreement of the parties.

Mediation may be used by the parties to assist them in resolving grievances. The decision to utilize mediation shall be voluntary. Mediation may be held at any time prior to submission of the final appeal under Step 3 of the grievance procedure. If mediation is used, it shall be advisory only and shall stay the timelines for processing the grievance until such mediation is concluded.

Article 5.2 Reduction in Force

5.2.1 In General

Whereas PMR 48 provides that the Board of Supervisors may abolish any position or employment in the interest of sound management, County and Union agree that the procedures to effect layoff, reduction in force and reappointment set forth herein establish the method of calculating seniority of employees who hold or have held status in classes covered by this Agreement.

It is the intent of the parties that nothing in this article shall be construed to exclude those employees outside the bargaining unit who have held status in classes covered by this Agreement from exercising bumping rights into said classes nor to deny any rights and obligations for said employees.

5.2.2 Notice

Regular Hire employees designated for layoff or demotion and the Union shall be notified in writing at least four (4) calendar weeks prior to the anticipated date of termination or demotion. Upon request by the Union, the County shall meet to explore alternatives to layoff prior to the layoff. This process, however, shall not alter the proposed date of layoffs. Also, upon request by the Union the County shall meet and confer regarding the impact of any layoff on affected employees.

5.2.3 Order of Layoff

Layoffs and/or reduction in force shall be made by classification under an appointing authority. A classification is defined as a position or number of positions having the same title, job description, and salary. Contingent Hire (Extra Hire) employees shall be laid off before probationary employees, and probationary employees shall be laid off before permanent employees in the affected classification. In effecting the preceding order, a part-time, permanent employee with more seniority

can displace a full-time, permanent employee. Employees in lower-level classes under-filling the affected classification will be laid off first. The break in service of an employee who is reinstated pursuant to Article 5.3 shall not be counted as County service.

5.2.4 Seniority

If two (2) or more employees within a classification have achieved permanent status, such employees will be laid off or reduced on the following basis:

1. Seniority will be based on date of hire in the affected classification and will be determinative. Such seniority shall include time served in higher classification(s). The computation of seniority for part-time employees will be credited based on date of hire into the classification AND the full time equivalency (FTE). Time spent on leave of absence without pay beyond 12 consecutive weeks will not count toward seniority.
2. If the seniority of two (2) or more employees in the affected classification or higher classification(s) is equal, departmental seniority shall be determinative.
3. If all of the above factors are equal, the date permanent status in County service is achieved shall be determinative.
4. If all of the above are equal, date of certification for appointment shall be determinative.

5.2.5 Exceptions

Notwithstanding the foregoing, if the appointing authority determines that the public interest will not be served by application of the above criteria, the appointing authority may depart therefrom on the basis of clearly demonstrable special skill(s) which are essential for the job. If more than one employee possesses such special skill(s), seniority, as defined in 5.2.4, shall be the determining factor within that group of employees. In such case, the appointing authority shall notify the employee to be laid off, in writing, specifying the basis for such determination in detail. The employee may within five (5) working days thereafter, appeal the determination to the Personnel Commission which shall hold a hearing within fifteen (15) days after receipt of the appeal and which shall thereafter make a decision within five (5) days, and that decision shall be final.

5.2.6 Bumping Rights

An employee designated to be laid off may bump into a class at the same salary level within the same department or into the next lower classification within the same department in which such employee has previously held status. Effective December 31, 1997, a Union-represented employee who promotes prior to completing probation shall be considered to have held status in the previous class for purposes of bumping rights. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

5.2.7 Transfer Rights

All effort will be made by the Human Resources Department to transfer any employee who is to be affected by a reduction in force to another vacant position for which such employee may qualify. The length of eligibility for such transfer will be the period of notification as provided in Section 5.2.2 but no longer than the effective date of such layoff or reduction.

Article 5.3 Reemployment Following Reduction in Force

5.3.1 In General

Individuals who have been laid off or demoted shall be offered reappointment to the same classification in which they held status in the order of seniority in the classification. Individuals demoted in-lieu-of reduction in force shall be offered restoration to the highest class in which they held status and in which there is a vacancy prior to the appointment of individuals who have been laid off.

5.3.2 Right to Reemployment

A. Right to Reemployment to Vacancy after Reduction in Force

Each person who has been laid off or demoted in-lieu-of a layoff from a position the person held shall, in writing, be offered reappointment in the same classification in the same department should a vacancy occur in the classification within two (2) years after the layoff or demotion.

B. Right to Reemployment to Contingent Hire (Extra Hire) Position after Reduction in Force

If a Contingent Hire (Extra Hire) position is opened in the same department and classification in which a Regular Hire employee who held status has been laid off or demoted in-lieu-of layoff, in order of seniority in the classification, the Regular Hire employee who held status shall be offered the Contingent Hire (Extra Hire) position, based upon the existing reemployment list.

Within one (1) year after the layoff or demotion, this Regular Hire employee shall be offered this Contingent Hire (Extra Hire) position in writing should a Contingent Hire (Extra Hire) vacancy occur in the same classification and department in which the employee held status.

Should the person not accept the reappointment within seven (7) calendar days after the date of the offer or should the person decline or be unable to begin work within two weeks after the date of acceptance of the offer, the person shall not forfeit the right to reemployment under 5.3.2 A but shall forfeit the right to further reemployment under 5.3.2 B.

5.3.3 Time Limits

Should the person not accept the reappointment within seven (7) calendar days after the date of the offer or should the person decline or be unable to begin work within two (2) weeks after the date of acceptance of the offer, he or she shall be considered unavailable for employment, shall forfeit the right to reemployment and be removed from the reemployment list.

5.3.4 Availability

Whenever a person is unavailable for reemployment, the next senior person who is eligible on the department reemployment list shall be offered reemployment in the same manner and under the same conditions as in Section 5.3.2.

5.3.5 Countywide Lists

Should there be no person on the department reemployment list eligible and available for reemployment, the position shall be filled by the countywide reemployment list for the same classification. The Human

Resources Department shall certify up to five (5) of the remaining eligible persons in order of seniority in the classification from the countywide reemployment list for selection by the appointing authority. The countywide reemployment list shall consist of the names of all individuals laid off or demoted in order of seniority by classification irrespective of department.

Persons selected from the countywide reemployment list shall have their names removed from the department reemployment list for classification in which they were reemployed. Should there be no person on the reemployment list eligible and available for reemployment, vacancies shall be filled from an appropriate eligibility list.

5.3.6 Probationary Status

Employees reappointed in the same department under the provisions above will not be required to complete a new probationary period if they previously held permanent status in the classification. Employees reappointed to a new department shall be required to complete a new probationary period in the new department. Employees who do not complete their probationary period shall serve the remainder of the probationary period upon reappointment. Periodic increase dates shall be controlled by Personnel Management Regulation 41.

5.3.7 Restoration of Benefits

Employees restored to previously held positions shall be deemed to have returned from a leave of absence for the purpose of all rights and benefits legally permissible.

Article 5.4 Disciplinary Action

5.4.1 In General

All disciplinary actions arising under this Agreement shall be resolved in accordance with the disciplinary appeal process in Personnel Management Regulation 47.

Any disciplinary action subject to appeal to the Personnel Commission pursuant to PMR 47, by agreement of the parties, may be submitted to an arbitrator for him/her to make written findings and render a decision in accordance with PMR 47.9.

If the parties disagree about whether a termination shall be heard by an arbitrator, within 2 business days of the disagreement, either party may request mediation. Mediation shall be scheduled within 30 days of the initial request. The request for mediation does not preclude the department from scheduling an initial hearing date before the Personnel Commission. Mediation shall not be binding.

If the parties mutually agree to have the termination heard before an arbitrator, the decision of the arbitrator shall be final and binding on all parties, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure. The arbitrator shall have the same limitations as listed in PMR 24.4.

5.4.2 Prior Notice

It is the policy of the County that as soon as a department head becomes aware of a pattern of behavior or performance that could lead to disciplinary action, the department head shall immediately advise said employee in writing of the facts and remedial action required. This notice shall not be grievable, and this procedure shall not pertain to any illegal acts of the employee.

5.4.3 Notice of Intent

Notice of intent to take disciplinary action shall be given to the employee no later than twenty-five (25) working days from the date that the fact-finding investigation has concluded. Service of the Notice of Intent is complete on the date the County hand delivers or sends by regular United States mail the notice. The County will attempt to conclude fact-finding investigations within ninety (90) days of having knowledge of the event giving rise to the discipline. If the investigation goes beyond 90 days, upon request, the County will provide Union with a written update on the status of the investigation including the expected date of completion.

5.4.4 Notice of Termination

No regular, permanent employee shall be discharged for incompetence or inefficiency without receiving ten (10) working days' prior written notice of termination.

5.4.5 Settlement Conference/Mediation Language

The County and Union agree that discussions regarding settlement of disciplinary actions can be beneficial to both parties in the process. Therefore, for disciplinary actions that invoke hearing rights before the Personnel Commission, the parties are encouraged to consider settlement options. By mutual agreement, the County and the employee and/or the employee's representative may schedule a settlement conference or mediation session to facilitate such settlement discussions. Any costs incurred in such proceedings shall be split evenly between the parties. All communications whether written or oral during such settlement conference or mediation session shall be confidential and shall not be admissible during a subsequent hearing or related proceeding.

5.4.6 Appeal to Board of Supervisors

The appellant or the appointing authority, within ten (10) days after the final order of the Personnel Commission, may file an appeal with the Clerk of the Board of Supervisors who shall present the same at the next meeting of the Board of Supervisors. The Board of Supervisors shall then set a day for hearing said appeal. The appeal shall be heard solely on the basis of the reporter's transcript and appended evidence. No oral testimony or new evidence shall be received without the express consent of the Board of Supervisors. The order of said Board of Supervisors shall be final.

Chapter 6: Union Rights

Article 6.1 Notification

6.1.1 Scope of Representation

County shall provide Union with five (5) working days' notice in advance of final action relating to salaries, hours, working conditions and/or fringe benefits of employees. County also agrees to provide Union with five (5) working days' notice in advance of Board of Supervisors' consideration of staff proposals on the above matters.

6.1.2 Personnel Listing

On a regular basis during the term of this Agreement, County shall provide Union with a copy of each regular personnel listing which contains the names of all employees in the bargaining unit, dates of employment, classifications, rates of pay, and terminations.

Article 6.2 Employee Representatives

6.2.1 In General

The Union may, by written notice to the Director or Human Resources, designate certain of its members as employee representatives. Employee representatives shall be permitted reasonable time for Union activities. Total employee time in all the Union bargaining units spent on Union business during each week shall not exceed 37.5 hours and no individual employee shall spend more than four (4) hours of County time on Union businesses. The Union shall provide a monthly reporting to the Director of Human Resources of all names and time used by week by employee representatives during work hours.

Union activity shall be defined as participating in resolution of Agreement disputes during the life of the Agreement and the adjustment of grievances of employees in the bargaining unit subject to the limitations set forth in this Agreement. These permitted activities performed during the normal, employee duty time of such designated employee representatives shall fall within one of the following categories:

1. Discuss with an employee a grievance or complaint;
2. Make inquiries in order to obtain relevant information related to a grievance, including discussions with supervisors, other employees or other management officials provided that such inquiry on County time consists of limited fact gathering/clarification, i.e., not conducting an investigation or preparing witnesses for hearing, and that it does not unreasonably interfere with workplace efficiency/productivity and will not include the right, while on County time, to question visitors or non-employees of the County;
3. Assist employees in preparation for, or represent employees in, the appeal and review steps of the grievance procedure or in arbitration;
4. Attend meetings with supervisors or other management officials with respect to grievance adjustments, consultation or general discussion directly related to wages, hours, or working conditions, and matters mutually agreed upon;
5. Prepare for meetings mutually agreed upon by the County and the Union to be scheduled for conferral or other purpose;
6. Any other matters reasonably related to Union business by mutual agreement between the parties.

When any employee representative is conducting business as defined above, the representative will request the permission of his/her immediate supervisor in reasonable advance of any meeting, advising the supervisor of his/her destination and when he/she expects to return. Such request will be granted by the supervisor unless work processes require the presence of the employee at that time. Upon returning to his/her duty station, the employee representative will notify his/her supervisor. Upon arriving at the workplace of an employee to be represented, the employee representative will normally be permitted to contact the employee. The represented employee also

shall be required to request permission for time off in reasonable advance of any meeting. To the maximum extent possible, interviews between representatives and the employees will be held away from other employees and away from the public. If the employee representative is not permitted to contact the employee at the immediate time of this arrival at the workplace, the supervisor or designee, upon request, will advise the employee representative the reason why he/she cannot do so and the time when the employee will be available.

All Union activities shall be conducted in such a manner as not to disrupt the work activities of the employees involved.

6.2.2 Grievance Representation

Employee representative may investigate and process formal grievances filed by employees.

6.2.3 Access to Bulletin Boards

Authorized representatives of Union shall be allowed to post Union notices on bulletin boards maintained on County premises.

6.2.4 Bargaining Representation

In connection with Agreement negotiations, unless otherwise agreed, bargaining committee will not exceed two (2) persons per bargaining unit. Employee members of Union's bargaining committee will be allowed to absent themselves from duties for reasonable periods of time, without loss of pay, for the purpose of participating in Agreement negotiations.

6.2.5 Union Activity Leave

The Union may request with the employee a leave of absence from County employment for Union leave. The Union's request shall provide reasonable notice, the activity in which the employee will engage and the length of leave requested. The employee will remain on County payroll, on leave status. The County shall be reimbursed by the Union for the costs of the leave, including the costs of the benefits and any related administrative costs. The parties agree to discuss the cost specifics during the approval process. The immediate supervisor will be presented with the request, as well as the Director of Human Resources. The Director of Human Resources may grant or deny the requested leave. Prior to denying such leave request, the Director shall meet, upon request, with the Union Representative to discuss the decision. The HR Director shall make a final determination on granting or denying the leave. Such decision by the County is final, is not subject to appeal and may not be grieved.

Only one employee covered by this Agreement will be authorized to be on leave at any one time. Further, such leave may only be approved for a maximum of 6 months per employee, unless otherwise agreed by the parties.

6.2.6 New Employee Orientations

The County shall provide the Union written notice of County-wide new employee orientations, whether in person or online, at least ten (10) business days prior to the orientation. The notice shall include time, date, and location of the orientation. Representatives of the Union shall be permitted to meet with the new employees for up to thirty (30) minutes during a portion of the orientation for which attendance is mandatory. The Union shall provide the County at least five (5) business days

prior to the orientation any materials it would like the County to distribute to new employees at the orientation. If the Union staff are unavailable, the County shall grant release time for one (1) union steward to attend the orientation pursuant to Section 6.2.1

The County shall make best efforts to provide the Union with the name, job title, department, work location, work, home and personal cellular telephone numbers, personal email addresses, and home addresses of all employees in the bargaining unit every 90 days, but no less than once every 120 days.

Article 6.3 Dues Deduction

6.3.1 Dues Deduction

The parties agree that upon written consent of the employee involved or upon certification of the Union that it has and will maintain employee's written authorization, the County will deduct dues as established (and as may be changed from time to time) by the Union from the salaries of its members. The sums so withheld shall be remitted by the County, without delay, along with a list of employees who have had said dues deducted. Such dues deductions shall continue so long as the Union remains the exclusive representative of these bargaining units or unless discontinued or modified in accordance with the process outlined below.

6.3.2 Revocation

The County will direct to the union any employee who desires to revoke his/her authorization for Union membership.

Deductions will continue unless the employee mails a written revocation to the Union in accordance with the terms of the membership card or authorization form, or, for employees whose membership card or authorization form does not provide terms of revocation, by mailing a written revocation to the Union that is postmarked during the 30-day period immediately prior to the annual anniversary of the date on which the employee signed an authorization form.

It is understood that if an employee does not revoke his/her authorization for Union membership during the period specified above, dues shall continue to be deducted from the employee's earnings.

6.3.3 Indemnification

The Union shall indemnify, hold harmless, and defend the County against any claim, including but not limited to any civil or administrative action, and expense and liability of any kind, including but not limited to reasonable attorney's fees, legal costs, settlements, or judgments, arising from or related to the County's compliance with this section. The Union shall be responsible for the defense of any claim within this provision, subject to the following: (i) the County shall promptly give written notice of any claim to the Union, (ii) the County shall provide assistance reasonably requested for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the County shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the County in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the County, or agreeing to any injunctive relief or consent decree being entered against the County, without the consent of the County. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this section brought by the Union against the County.

Article 6.4 Labor/Management Committees

6.4.1 Labor/Management Committee

A. General

There shall be continued a labor/management committee during the term of the Agreement comprised of three (3) members of the Union and three (3) members of the Human Resources Department or their designees. The purpose of the committee is to discuss at the earliest possible time issues that arise during the term of the Agreement and that contribute to or detract from positive, productive employee-employer relations involving employees in classification in the Union. The committee shall meet as needed but no more frequently than every month unless by mutual agreement during normal working hours, and employees shall be entitled to release time in accordance with section 6.2.1 of this Agreement.

B. Career Development, Recruitment, and Retention

The parties will create a joint labor/management committee, inclusive of MAPE General Unit, HHS Unit and Nurses, with an equal number of union and management members appointed that will meet on a quarterly basis to discuss career development.

SIDE LETTER AGREEMENT

Career Development and Equal Employment Opportunity

The County and the Union (the “parties”) enter into this agreement to help further County employees’ career development goals and the objectives of the County’s Equal Employment, Anti-Harassment and Anti-Retaliation Policy (PMR21).

Discrimination complaints by employees will continue to be governed by PMR 21.

Matters Covered by the Career Development and Equal Employment Opportunity Side Letter

- A. Upon the request of either party, but no more than once every six months, representatives of the parties will meet to review matters covered by this agreement and to take the appropriate steps to further the objectives of this agreement. The parties will discuss an implementation plan for the items below. No more than three representatives of management and three representatives of labor shall attend these meetings unless the parties mutually agree to invite additional representatives. Union representatives, where eligible, may use union release time to attend these meetings.
- B. PMR 42.7
1. PMR 42.7 will be modified to:
 - a. Refer to the release time as “Career Development Release Time”
 - b. Career Development Release Time shall be available to all employees in the covered classifications;
 - c. Expand the number of release time hours each year from 20 to 22.5 for 37.5 hour employees and to 24 for 40 hours employees; and
 - d. Management will respond (grant or deny) all requests for Career Development Release Time within 14 calendar days of receipt of the request. Requests for Career Development Release Time will not be unreasonably denied.
 2. Requests for Career Development Release Time will not be unreasonably denied. Requests for Career Development Release Time will not be denied solely because the County will incur cost such as overtime, additional hours worked by a part-time employee or by a Contingent Hire to cover for the employee while she/he is absent from work for Career Development Release time. The County shall notify all employees who are eligible to use Career Development Release Time that they are eligible.
 - a. Upon the modification of PMR 42.7 the County shall notify each eligible employee.
 - b. It shall notify each eligible employee when s/he is hired.
 - c. It shall send annual notices to all eligible employees about the availability of Career Development Release Time. Employees who have questions about this release time and how to use it should contact Human Resources for additional information.
 3. The parties will work together within three (3) months of implementation of the Career Release Time policy, to establish an education plan to inform County employees including management about the Career Development Release Time.
 4. County Departments will try to make the time provided in PMR 42.7 available to employees and will support the use of Career Development Release time identified in PMR 42.7. The County

will train managers on the proper use of Career Development Release Time, which will include supporting and encouraging the use of such release time. (Note: MAPE understands that the County wants to move the Release Time provision of the PMRs from 42.7 to 44. If the parties agree to move the release time provisions to PMR 44, all references to the PMR section in this agreement shall be changed accordingly.)

5. Employees shall not be required to use the Career Development Release Time identified above for trainings that the County is requiring an employee to attend or trainings that would not provide upward mobility.
6. Within three (3) months of the ratification of this agreement, the parties shall develop a list of all classifications eligible for release time in B1 above. The parties shall update these lists from time to time.

C. Oral Boards

The County shall have at least one woman and at least one man on each oral board.

D. Career Ladders

Within six (6) months of the implementation of the Career Release Time policy, MAPE will review the career ladders for MAPE classifications that were created by Human Resources. The career ladders which MAPE will review shall not be limited to those which provide horizontal movement by employees. Thereafter, the parties will meet to discuss 1) amending current career ladders to add additional career opportunities 2) developing training and communications materials about career ladders and career development to distribute to County employees. No more than three representatives of management and three representatives of labor shall attend these meetings unless the parties mutually agree to invite additional representatives. Union release time may be used for these meetings.

E. NOW Consent Decree

The parties agree that this Side Letter of Agreement combined with the other related County policies, regulations and collective bargaining agreement language sufficiently addresses the subjects covered by the NOW consent decree and therefore MAPE supports the County's action to pursue a petition to be released from the NOW consent decree. However nothing herein requires MAPE to file a petition to intervene in the NOW consent decree litigation or to make any filing in U.S. District Court related to the Decree.

SIDE LETTER AGREEMENT

Affordable Care Act Reopener (ACA)

The parties agree to a re-opener on the ACA during the term of the Collective Bargaining Agreements if any of the health plans now provided to employees or retirees will be subject to the excise tax. The purpose of the re-opener will be to address, among other things, implementing new plans or changes in plan design that would help the County and employees avoid the excise tax. The intent is not to increase the County contribution to offset the excise tax for employees.

The parties also agree that if the level of benefits the ACA mandates be provided to temporary employees and part-time (less than half-time) employees or if the number of hours an employee must work to be eligible for benefits under the ACA changes, the Union or the County may re-open the contract on this subject.

SIDE LETTER AGREEMENT

Delta Dental Enhancement

Based on consensus among labor groups to participate in the Delta Dental plan enhancement, the County has agreed to cover the additional cost of the **Employee Only**-level premium increase, as well as **Employee + 1** and **Employee + Family** levels *for the benefit year 2023*. Specifically, the County is adding an additional \$.65 per pay period to all employee fringe benefit packages to cover the increased cost for 2023.

While the County negotiated with Delta a reduced impact on **Employee + 1** and **Employee + Family** billed rates so that employees would have no additional premium costs for 2023 (other than what the County is funding), the premium for Delta Dental PPO rates for subsequent plan years remains undetermined at this time.

Should we see an increase in the Delta Dental rates for benefit year 2024, 2025, and/or 2026, the County will again meet with labor groups to discuss plan options and obtain consensus on whether to maintain the dental benefit enhancement. Consensus amongst labor groups will be required for the County to maintain (opt into) the Delta Dental plan enhancement in subsequent years. Without consensus amongst labor groups to maintain (opt into) the plan enhancement, the default will be to revert back to no plan enhancement for the County's Delta Dental benefit.
